

Prescription support?

Count on it.

Don't just get insured. Get reassured with an easy way to manage your meds.

Taking your prescription medication is important for controlling chronic conditions, treating temporary ones, and keeping up with your overall health and well-being. That's why Cigna HealthcareSM Individual and Family insurance plans offer choices that may help you spend less and stay healthier.

Pickup or delivery? Either way, you save.

Get maintenance medications through our participating pharmacy networks or through home delivery with Express Scripts Pharmacy,[®] a Cigna Healthcare company. And if you have any questions along the way, you can contact a licensed pharmacist 24/7.

- **Pickup:** Find a local retail pharmacy in the Cigna Healthcare Walgreens Advantage Network¹ and have your prescriptions sent there.
- **Delivery:** With Express Scripts Pharmacy, you can get your medication shipped to your home at no extra cost. Plus, get up to a 90-day supply at one time.²

Extra savings for diabetes medications and care.

When it comes to diabetes, medication matters big time. That's why we offer insurance plans and programs to help keep you healthy and costs down.

- **Enhanced Diabetes Care plans:** You pay \$0 out of pocket for a 30-day supply of covered, eligible insulin and diabetes medications – plus, nutritional counseling and certain lab work, exams and diabetic supplies.³
- **Patient Assurance Program:** For all other Cigna Healthcare plans, you can reduce costs with this program and pay no more than \$25 for a 30-day supply (or \$75 for a 90-day supply) of covered, eligible insulin and certain other diabetes medications.⁴

Ready for a health insurer that has your back and budget?

Contact your broker and enroll in a plan today.

Prescription support when you need it.

Sometimes medications can be confusing. To help you better understand your prescriptions, the Cigna Healthcare Medication Coaching Program can provide you with one-on-one guidance and support from a team of pharmacists. The program includes:

- Help understanding a medication and why it was prescribed
- Support with finding lower-cost alternatives
- Help understanding possible side effects and how to identify and manage them

 **Need to talk to a pharmacist? Call 800.835.8981, Monday–Friday, 7:00 am – 7:00 pm CST. Call as often as you need to. All conversations are confidential.**

Insured by Cigna Health and Life Insurance Company, Cigna HealthCare of Arizona, Inc., Cigna HealthCare of Georgia, Inc., Cigna HealthCare of Illinois, Inc., Cigna Healthcare of North Carolina, Inc., Cigna HealthCare of South Carolina, Inc., or Cigna HealthCare of Texas, Inc.

In Utah, plans are offered by Cigna Health and Life Insurance Company.

1. Walgreens Advantage Network applies to all markets with the exception of TX and VA. TX and VA will have access to the Cigna 90 Now CVS Network, with access to a 30-day supply of a medication at any in-network retail pharmacy and the ability to obtain a 90-day supply at 90-day contracted retail pharmacies.
2. Tier 5 medications are limited to a 30-day supply in all states except NC, where Tier 5 medications are allowed up to a 90-day supply.
3. Refer to plan documents for a description of equipment, supplies, and select tests and services that are covered through the condition-specific plans. Enhanced Diabetes Care plans not available in CO.
4. Discounts available with the Patient Assurance Program. \$25 is the maximum out-of-pocket cost for a 30-day supply of covered, eligible insulin.

Product availability may vary by location and plan type and is subject to change. All health insurance policies and health benefit plans contain exclusions and limitations. For costs and details of coverage, review your plan documents or contact a Cigna Healthcare representative.
